

## A New Term at Occold Pre-school

It doesn't seem possible that the purpose built area for Occold Pre-school is already one year old! In July we saw the first of our children that had benefited from the new facility; enjoy their graduation party as they left us to start full time at their respected Primary schools. We wish them every success on this new exciting journey.

During the summer holidays we continued to make good use of the building as we ran our kids holiday club with lots of exciting crafts and games. So for some of the children and the staff it's like they've never been away!

On the 4<sup>th</sup> September we held our Open Day so anyone and everyone could come and take a look at what our Pre-school has to offer. It was lovely to see some new (and old) faces. As the new term begins we welcome several new children and their families to our Pre-school and we trust they will feel very at home with us. To help us get to know each other better and to help the new children settle in we have started focusing on the theme of families. We are also thinking about our bodies; we have started doing some yoga and we plan to do some bellycise!

We would like to thank all those of you that have supported us and continue to take an active interest in our Pre-school. Our next big fundraising event will be our 'Cake, Coffee

and Craft' morning on Saturday 6<sup>th</sup> November, 10-12pm in the Occold Village Hall; as usual we plan to have the Photographers with us so come along and get some early Christmas presents sorted!
